

Summary of Student Surveys

Student surveys were administered to all students for all classes that were taught. All categories were numerically scored as a **4.8** or higher out of a maximum of 5.0.

Overall the written responses were very favorable.

Examples:

- Teacher speaks clearly and goes over information.
- Teacher with extensive background experience.
- Professor Lippert was awesome. I loved his class and learned a lot.

Summary of Student Surveys

Student surveys were administered to all students for all classes that were taught. All categories were numerically scored as a **5.0** or higher out of a maximum of 5.0.

Overall the written responses were very favorable.

Examples:

- Professor Lippert is very hands on with skills and brings in real life.
- I appreciate his teaching style.
- Professor Lippert is very patient, very calm but also very direct.
